COVID-19

Last updated June 2nd, 2020

As the BC Government's restrictions have eased, we are running our day camp programs this summer.

We have developed an infectious disease policy to operate safely and responsibly. Please note, as this pandemic is still an ever-evolving situation, we may have to cancel or change programs as necessary. Sign-up for summer now!

To view our infectious disease policy regarding COVID-19, terms and conditions, as well as other documents click here: <https://westernadventures.ca/agreements.htm>

A note on refunds, credits & transfers do to COVID-19

If, in the unlikely event a program is cancelled due to COVID-19, we will do our best to issue credits to all families registered for said program. Other options and solutions may be available. If you have any questions or concerns regarding refunds, credits & transfer due to COVID-19, please contact us.

We thank you for your support and hope everyone continues to stay safe while balancing a healthy lifestyle in these trying times.

Sincerely,

Landon Kimmel
General Manager
