- Strong swimmers
- Passionate about teaching/instructing
- Believe in educating children outside is the primary motivation for working with us
- Performs their functions in a highly professional manner within the scope of their training/certifications while following WEA's standards and policies.
- Understand, respect and appreciation of the natural environment including but not limited to weather, nature identification, no trace camping, etc.
- Socially aware
- Able to take initiative
- Highly independent
- Highly responsible
- Able to work without direction or supervision for long periods of time
- Excellent communicators
- Able to receive and learn from feedback
- Willing to learn, grow and develop
- Flexible and versatile
- Excellent at managing time
- Detail oriented
